**SUBJECT:** Formula Conference Call in October

---

This is a reminder that the next formula conference call will be held on Tuesday, October 15, 2002. Topics to be discussed at this conference call will include:

- results of the formula conference call survey with regard to frequency of conference calls and conference calls for RD's,
- new changes to powdered formula can sizes,
- issuance of Isomil DF in conjunction with standard contract formula using the 999 code, and
- when to challenge on contract formulas.

Attached is a chart for issuance of sample formula in the new size when a more concentrated formula has been prescribed.

If you have any particular issues that you would like to have addressed at this conference call, you may email Roxanne Robison, R.D., Nutrition Consultant for Children with Special Health Care Needs, at [Roxanne.Robison@tdh.state.tx.us](mailto:Roxanne.Robison@tdh.state.tx.us) or contact Patti Fitch, R.D., Clinical Nutrition Coordinator, at (512) 458-7111, extension 3598.
